## ***End Term 1 Message from the Principal***

---

1 April 2021

Dear Parents and Caregivers,

I would like to thank you for your continued support of Wilsonton State High School over not only this week, but throughout first term. 2021 so far has certainly been a successful year for our school. As part of our recent School Review process, we received very positive feedback which will be used to guide the strategic direction of our school over the next four years.

As you may be aware from the recent newsletter, Mr Michael Bruton and Mrs Charis Valentine will finish with our school at the end of this term. As a result of staffing changes there will be some timetable changes which may impact the teachers who are teaching your child. In the holidays Mr Masters will send through a new timetable to all student email accounts so that your child is prepared for Term Two.

As always, I appreciate your support in providing the very best educational opportunities for our students. I would like to take this opportunity to wish you a great Easter break and I look forward to welcoming our students back on April 19 as we resume learning in Term Two. I am hopeful that the current COVID situation will continue to ease over the Easter break.

As always we Stand Strong, Stand Proud but most importantly we Stand Together.

Yours faithfully,
