EXPRESSION OF INTEREST OUT OF CATCHMENT APPLICATION FOR ENROLMENT

Overview

Wilson State High School recognised as its prime obligation, the provision of access to an appropriate educational service for students whose principal place of residence is within the school catchment area. Because of enrolment capacity and growth, Wilson State High School may be unable to meet this obligation in the future unless action is taken now to manage enrolments. Consequently, Wilson State High School has limited ability to accept enrolments from outside the catchment area.

The School Enrolment Management Plan (School EMP) sets out the conditions under which students may be enrolled into Wilson State High School, subject to any other requirements or limitations in:

- The Education (General Provisions) Act 2006 (Qld)
- Please note within the Education (General Provisions) Act 2006 (Qld) the Expression of Interest is only valid for 12 months, however your application will remain on our school database for consideration.

This School EMP is supported by:

- Enrolment in State Primary, Secondary and Special Schools procedures
- School Enrolment Management Plan (School EMP) procedures

Local Catchment Area

A school's local catchment area is the geographical area from which the school is to have its core intake of students. Consideration will be given to out of catchment enrolment applications if there is sufficient spare capacity after reserving place for students who move into the catchment during the year and after taking into account the school's projected future enrolment growth.

A catchment map defines the catchment area for Wilson State High School. To view the School's Catchment Map (EdMap) and Enrolment Management Plan please go to our website at www.wilsonshs.qld.edu.au

Application Fee

A **non-refundable application fee of \$50** is charged for each Out-of-Catchment Application submitted for consideration. This fee covers administration costs associated with our prospective enrolment processes. ***(If this fee is not paid, the application will not progress to the Expression of Interest List).***

Upon receipt of your non-refundable application fee of \$50, your application will then proceed to the next stage of the enrolment process that includes the addition of your name to our Out of Catchment, Expression of Interest List. This is not a guarantee of automatic enrolment. The Principal is wholly responsible for all enrolment decisions.
