From the Principal

School overview

Wilsonton is located in the city of Toowoomba on the Darling Downs, offering a lifestyle with quality facilities and services, together with community spirit. Wilsonton State High School first began operation as a school in January 2017, and is quickly gaining a reputation for being an educational leader within Toowoomba. Wilsonton State High School offers a quality education to students in years 7 through to 12. Our school prides itself on providing the very best academic, vocational, cultural and sporting opportunities for our students. At the heart of Wilsonton State High School is our motto, 'Stand Strong, Stand Proud, Stand Together.' This motto helps us shape our school environment where we believe that success and excellence should be sought after and practised. At Wilsonton State High School, we have high expectations of our staff and our students. Our staff take great pride in ensuring that the curricular and extracurricular aspects that are delivered are of a very high standard and we believe that the quality of our educational opportunities is second to none. The staff at Wilsonton State High School are not only passionate and dynamic but also innovative in their approach to teaching and learning. Our school has an explicit improvement agenda, which is based on three pillars of excellence - Quality Teaching, Reading and Writing and Every Student Achieving. Wilsonton State High School's pedagogical model is based on 'High Impact Teaching' with explicit instruction embedded. This pedagogical model is explicitly taught in every class to ensure consistency of practice in both the Junior and Senior Secondary departments within our school. Our inclusive practices provide seamless transitions in students' learning, provide student coaching and tracking, and ensure our students are catered for "where they are at". Our Support Team works effectively with students and their families to promote and enable students' success and minimise any barriers to students in attaining this. Students are provided with a rich learning environment with our Programs and extracurricular activities on offer including: Academy One Academic Program including STEM, Rugby League and Basketball Academies, Human Powered Vehicles Team, Agricultural Centre with a Cattle Show Team as well as agricultural programs, Performing and Visual Arts Programs with our Drama Club, Dance Troupe, School Musicals as well as an Instrumental Music Program. We have also established many valuable partnerships with external agencies and educational institutions that provide opportunities for our students in post school options to advance in their chosen career pathway. The school is also a Registered Training Organisation delivering a variety of VET courses. Facilities include a \$6 million Auditorium providing a Sports venue, Arts performance space as well as a venue for whole school and community events and ceremonies. Our well maintained and spacious grounds flowing onto the Agricultural Centre at the rear of the site provide a rural mix within the city precinct.

Year 7 – Year 10	20	22	19
Year 11 – Year 12	17	15	12

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Long suspensions – 11 to 20 days	21	19	29
Exclusions	20	10	18
Cancellations of enrolment	4	8	4

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)		268,894	338,757
Water (kL)		3,935	8,391

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.

Notes:

1. The apparent retention rate for Year 10 to Year 12 = the number of full time students in Year 12 expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).
2. *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

The destinations of young people who left this school in Year 10, 11 or before completing Year 12 are described below.

Schools work closely with a range of external agencies to support students who left school early.

Our Principal, Deputy Principal, Regional Transitions Officer or Guidance Officer liaises with early school leavers and their parents, providing a service 'beyond the school gate' to assist early leavers make a successful transition to other educational pursuits or employment.

Next Step — Post-school destinations

The results of the 2020 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2019), will be uploaded to this school's website in September 2020.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://wilsonshs.eq.edu.au>.
